

Retail Pharmacy Savings

Save up to 15% on brand name prescriptions
Save up to 50% and more on generic prescriptions
Nearly 45,000 Participating Pharmacies Nationwide
Mail Order Pharmacy Offering Greater Savings and Convenience

To begin saving, you must present this Membership Card, with your prescription, to a participating pharmacy. You will pay the discounted cash price, or the pharmacy's usual and customary price, **whichever is lower**. In order to obtain savings through this program, you must pay the reduced amount, in full, when you pick up your prescription.

If you experience any problems, contact Customer Service at 800-213-5640.

Mail Order Pharmacy Savings

Once you have utilized your Membership Card at a participating retail pharmacy (this activates the Membership), you may obtain even greater savings on maintenance medication needs (90-day prescriptions) by utilizing the Mail Order Pharmacy.

You can obtain an estimate of costs and to download the Patient Profile Form (required for mail order prescriptions), log on to www.ScripPharmacy.com. Prices listed are the usual and customary retail price. Members may receive even lower pricing.
